

The School-Parent Compact

School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students, and staff of N.C.H.S developed this School-Parent Compact for Achievement. Teachers suggested academic initiatives, parents added ideas to aid learning at home, and students told what would help them learn. Meetings are held each year to review the Compact and make changes based on present needs.

To volunteer, please contact Deserae Benton at Deserae.a.benton@clayton.k12.ga.us or 770-994-4035

Building Partnerships

- *Bring Your Parent to School Day each Semester!*

- *Curriculum Nights*
- *Parent Academy*

Check the website for the Parent and Family Engagement Calendar and workshop dates!

Support our Uniform Closets!

Communication About Student Learning

- Provide frequent reports to parents on their child's progress
- Provide parent-teacher conferences which will be held annually, during which time the Compact shall be discussed as it relates to the individual child's achievement.
- Provide reasonable access to staff, with opportunities to volunteer and observe classes.
- Please Contact your Parent Liaison

NORTH CLAYTON HIGH SCHOOL

11th Grade School-Parent Compact for Achievement & Success 2017-2018

Last Date Revised
09-21-17

School Parent Compact 2017-2018

District Goals

Clayton County Public Schools set goals for the entire district. The district goals for 2017-2018 are:

Reading– all students will show a 3% increase in reading proficiency on the Language Arts Georgia Milestones.

Math - all students will show a 3% increase in Mathematics proficiency on the Math Georgia Milestones

North Clayton High School Goals

North Clayton High School administrators and teachers have studied our student performance data to decide on the most important area of improvement for our school.

Increasing Algebra students' ability to apply their understanding of the following conceptual categories:

- Algebra
- Functions
- Geometry
- Statistics and Probability
- Connections to functions and modeling

In The 11th Grade Classroom

N.C.H.S. teachers will:

- Provide families with opportunities for students to attend remediation either before or after school.
- Host Math Night
- Provide families with frequent opportunities to conference about students progress.
- Provide families with opportunities for students to attend remediation.
- Provide additional ways to communicate with students and parents (Remind.com, Edmodo & Schoology)

At Home

N.C.H.S. parents joined staff to develop ideas about how families can support students success in Math.

N.C.H.S. parents will:

- Attend Math Nights
- Review study packets and online resources with their child.
- Utilize opportunities to be updated on child's progress.
- Provide transportation from after-school remediation services.

NCHS 11th Grade Students

N.C.H.S. students will:

- Invite parents to the Math Night, share the study guides with parents, and use them to practice Math concepts
- Share Math vocabulary with parents
- Be prepared and attentive in class
- Keep parents informed about remediation offerings and conference night dates.
