Assistant Principal: Charles Gilchrist

Assistant Principal: Shanika Wells

August 7, 2017

Greetings Parent,

I bring you greetings as the Parent and Community Liaison of the thriving North Clayton High School! It is with great pleasure that I introduce myself as a viable resource for you and your child as he/she embarks upon one of the most life-changing, empowering, and critical phases of life; high school. My anticipation of the 2017-2018 school year is great and through our partnership we will have the ability to ensure you and your child are engaged, and well prepared for a successful year.

The role of the Parent Liaison is to act as a 'bridge' between parents, teachers, students, and the community, to assist in increasing parental involvement and engagement in our school. In addition, our monthly parental involvement calendar will contain a wealth of parent workshops, informational sessions, and activities to provide our parents with the tools they need to support their children academically, emotionally, and socially at North Clayton High School. In addition, you are welcome and encouraged to visit our Parent Resource Center in Rm. 142, the hours of operation is 9am-4pm Monday-Friday. This center houses books, periodicals, a lending library, and other resources to further support you as you assist your child academically. Other valuable resources are personnel with whom you will become increasingly familiar with; our School Counselors, and our school Social Worker.

Studies show the increased need for parental involvement in students' school life as they mature. Ironically, high school tends to be an educational level where parents are less involved and allow their children much more freedom. I encourage you to become a NCHS volunteer, join our P.T.S.A, and find your niche` at North Clayton High School, because it will be your family's home away from home!

On behalf of our administrators, teachers, and support staff, I introduce myself as a resource and liaison for you, and I encourage you to contact me if there is anything I can do to better assist you and your child in becoming acclimated with North Clayton High School. I look forward to working with your family this school year!

Best Wishes,

Deserae Benton
